SUBJECT :

Proposed Building Survey (Level 3) for Property Acquisition

Dear Sir / Madam

We thank you for your recent instruction to carry out a Building Survey, with regard to the subject property (as identified above).

We have set out our "Terms of Engagement", as required by RICS, in detail below. Your attention is particularly directed to our limits of liability and cancellation provisions. If you wish us to commence immediately, then you will be waiving your 'cooling off' period granted under the Consumer Contracts Regulations, but we will accept cancellations with 24 hours' notice prior to any inspection.

We also include a guide to ensure you are choosing the right level of service.

We are required to obtain evidence of your agreement to these terms before we can issue any report, and to this end we would request you **complete the declaration at the end of this document and return it to us as soon as possible**. We also require payment of all fees before we will issue the report, payment methods are identified in the attached invoice. We will commence arrangements to inspect the property and will proceed under the assumption that you will complete these obligations in due course.

We are required to undertake reasonable checks that no conflict of interest exists with regard to this assignment, and are pleased to confirm, that to the best of our current knowledge, no such conflicts exists in this case.

Regards,

A handwritten signature in blue ink that reads "D Askew".

Proposed Building Survey (Level 3) for Property Acquisition

AC Surveys Ltd Specific Terms

This document sets out the contractual terms upon which we will advise the Client (as detailed above).

- 1) The Surveyor will be Mr Derek M Askew, MRICS MCIOB MISVA MRPSA, for and on behalf of AC Surveys Ltd. He is in a position to provide an objective and unbiased opinion, acting as an external Surveyor; he has no material connection or involvement with the subject of this valuation assignment or the party commissioning this assignment; he is competent to undertake this assignment, having experience of inspecting and reporting on this type of property in this locality.
- 2) The client is identified as the addressee(s) of this letter.
- 3) The Survey is provided to assist the client in the course of Property Acquisition.
- 4) The asset to be inspected is identified as the freehold title of the SUBJECT (as detailed above) property.
- 5) We would wish to provide an actual date of report at this juncture. However, as the inspection is of an asset which is not currently in the possession of the client, and suitable arrangements for inspection must be made, we can only confirm that the report will be available within two working days from the inspection, we will make appropriate arrangements to inspect the property and will inform you of the date of inspection as soon as it is confirmed. When ready the report will be delivered as a pdf, via e-mail, as long as full payment has been received and we are in receipt of signed terms and conditions.
- 6) The subject property will be examined in accordance with the Description of Service, as published on our website. This examination will be limited by the Surveyor's reasonable professional judgement to areas which are appropriate and possible in the particular circumstances. This will have regard to the apparent state of repair and condition of the property but will not include those parts of the property which are covered, unexposed or inaccessible. The Surveyor will not be under a duty to arrange for the testing of electrical, heating, plant or other services.
- 7) The Surveyor may rely upon information provided by the Client and/or the Client's legal representative or other professional advisers relating to tenure, tenancies, rights of way, restrictive covenants and other relevant matters. The Surveyor will not inspect the title deeds and may assume that the property and its value are unaffected by any matters that may be revealed by a local search and replies to the usual enquiries or by any statutory notice.
- 8) In reporting on the subject, the Surveyor may make the following assumptions which he will be under no duty to verify.
 - a. Where there is no visible indication of a defect, then it will be reasonable to assume no such defect exists.

- b. That unless otherwise advised or an inspection reveals matters to the contrary, an assumption is made that no contamination or potentially contaminative use is, or has been, carried out at the property. Unless specifically instructed we will not take any investigation into the past or present uses of either the property or any adjoining or nearby land to establish whether there is the potential for contamination from these uses and an assumption will be made that none exists.
- c. That no high alumina cement concrete or calcium chloride additive composite panels or any other potential deleterious or hazardous materials or techniques have been used in the construction of the property or have since been incorporated.
- d. However, should it be established subsequently that contamination exists at the property or on any neighbouring land or that the premises have been or are being put to any contaminative use this might reduce the values reported.
- e. That vacant possession is provided.
- f. That good title can be shown to the property and it is not subject to any unusual or especially restrictive onerous restrictions, encumbrances or outgoing.
- g. That inspection of those parts which have not been inspected would not reveal material defects or cause the Surveyor to alter the advice given materially.
- h. That sewers, main services and roads giving access to the property have been adopted and that any lease provides rights of access and egress over all communal estate roadways, paths, corridors, stairways, communal grounds, parking areas and other facilities.
- i. In the case of a new property where construction which has not been completed, that construction will be satisfactorily completed.
- j. That in the case of newly constructed residential property it has been built under the NHBC Buildmark Scheme, Zurich Municipal New Build and Rebuild Scheme, Housing Association Property Mutual Scheme, Premier Guarantee or for private and completed housing or equivalent, under the supervision of a professional consultant and that an appropriate certificate of satisfactory completion has been issued.
- k. We will not make any written enquiries of the Planning Authority and therefore will make the assumption that there are no known contraventions of planning law and that all buildings and structures which require planning consent and Building Regulation approval have the appropriate statutory consents.
- l. We will not make any enquiries of the Health and Safety Executive and will not make any statement that the property conforms to the necessary legal requirements of this authority and or to the requirements of any legal enactment and we will assume that there are no contraventions that may affect the valuations.

- m. We will not make any enquiries to obtain a mining report and will assume, unless there is compelling visual evidence, that there is no potential subsidence which would affect the property.
- 9) The report is for the private and confidential use of the client, as identified above, for whom the report is undertaken and should not be reproduced in whole or part or relied upon by third parties for any use without the express written authority of AC Surveys Ltd.
- 10) When ready the report will be delivered as a pdf, via e-mail, as long as full payment has been received and we are in receipt of signed terms and conditions. If a physical copy of the report is required, this can be issued, in a bound copy via the post, for the agreed additional charge of £18 to cover administrative, production and delivery costs.
- 11) As agreed, the fee is detailed in the appropriate invoice, with payment terms. We can confirm that we do not pay a referral fee or equivalent inducement to any party who may have recommended our services. The Client will pay the agreed fee together with any VAT which is applicable and any disbursements or additional fees required for the appropriate preparation of the report and agreed prior to the release of the report. We reserve the right to charge additional fees based on our current hourly charging rate for professional services should the nature of the instruction evolve beyond the original instruction and we will seek to agree this departure prior to incurring such costs. Full payment must be made in advance of the release of the report. Fees and costs are subject to Value Added Tax at the prevailing rate and will be payable upon presentation of an invoice. Under the Late Payment of Commercial Debts Interest Act 1998 we are entitled to claim interest at the rate of Bank Rate plus 8% from the date the monies become due. In the event of permissible cancellation by the client (as detailed below) an Administrative charge of £50 may be levied from any refund applicable.
- 12) AC Surveys Ltd operates an RICS approved complaints handling procedure and a copy of this is available upon written request.
- 13) In order to ensure compliance with the Standards of RICS, this file and all contents may be subject to monitoring under the institution's conduct and disciplinary regulations. As such this may include full disclosure of all information to an investigating officer of the RICS.

LIMITATIONS TO LIABILITY

- 14) We will make every effort to ensure that our service meets your requirements, but we recognise that occasionally things can go wrong. You should understand that in order to balance risk fairly between us, we have capped some of our legal liabilities in accordance with RICS recommendations. This means that if we are in breach of contract or a duty of care that we owe to you, the maximum compensation that we should be obliged to pay you would be as follows: -
- 15) • For a breach of contract or a duty of care relating to a defect: an amount equivalent to twenty times the fee you have paid for this service. For example, if you paid £600, our maximum compensation that we are obliged to pay you would be limited to £12,000. There is no limitation of liability in the event of any claim against us for death, personal injury or fraud.

16) The report will be prepared by a Chartered Surveyor ('the Employee') on behalf of AC Surveys Ltd ('the Employer'). The statements and opinions expressed in this report are expressed on behalf of the Employer, who accepts full responsibility for these. Without prejudice and separately to the above, the Employee will have no personal liability in respect of any statements and opinions contained in this report, which shall at all times remain the sole responsibility of the Employer to the exclusion of the Employee. To the extent that any part of this notification is a restriction of liability within the meaning of the Unfair Contract Terms Act 1977 it does not apply to death or personal injury resulting from negligence.

CANCELLATION

17) The Client will be entitled to cancel this contract by notifying the surveyors' office at least 24 hours before the scheduled inspection, in which case any monies paid by the Client for the service will be refunded.

18) If the Client wishes to cancel the instruction the Client should notify us immediately of the intention.

19) Where a cancellation is received within 24 hours of the inspection being due, a charge of 50% of the fee may be made.

20) If cancellation occurs after the surveyor has undertaken an inspection, but before the provision of the final report, a charge of 75% of the agreed fee may be made.

21) The Surveyor may cancel the instruction at any time, and will make full reimbursement of any monies received, should such cancellation become necessary.

Please note: The 'Consumer Contracts Regulations' regulatory 'cooling off' period do not apply to this contract, as the service commences immediately upon your request to us to provide the service.
